

# Excursion 4: Panoramic Boat Ride & Fortress Tour – Šibenik

**Date:** 18 April 2026

**Duration:** approx. 6 hours

## Overview

This excursion combines a panoramic cruise on the water, historical highlights and culinary specialities of the region.

The tour begins with a relaxing boat ride through the Šibenik Channel, offering breathtaking views of Šibenik, the mouth of the Krka River and the surrounding islands. A licensed tour guide accompanies the cruise with interesting background information.

During the boat ride, participants enjoy fresh mussels from Šibenik – a local speciality.

Afterwards, you travel in retro tourism vehicles to the city's three most important fortresses. An expert guide brings the history and distinctive features of these impressive structures to life.

The tour also includes a visit to the old town and to the Cathedral of St. James, an architectural masterpiece of the Renaissance and a UNESCO World Heritage Site.

Ideal for guests who want to experience Šibenik authentically from both the water and the land.
