

Excursion 3: Trip to Krka National Park & Visit to Skradin

Date: 17 April 2026

Duration: approx. 6 hours

Summary

This excursion offers a wonderful combination of nature, culture and regional cuisine. After arriving at the Lozovac entrance of Krka National Park, a licensed tour guide leads you through the park's impressive scenery—famous for its waterfalls, wooden walkways, and unique flora and fauna.

Afterwards, you will take a boat trip to Skradin, a picturesque small town on the Krka River. There, participants enjoy a tour of the charming old town and a shared lunch featuring the famous traditional Skradin risotto.

This trip is ideal for anyone who wants to combine a nature experience with regional culinary highlights.
